

## **Bevan Exemplars Cohort 7**

### **Exemplars – ‘Doing Things Differently’ for a Prudent Sustainable Recovery**

**Thank you for your interest in joining the Bevan Exemplar Programme (Cohort 7). The work of the Bevan Exemplars will be broadly based around a Prudent and Sustainable Recovery, including key strategic documents and emerging priorities for health and care such as; the Covid Recovery Plans for health and social care, CMO report, which includes focus on inequalities, National Clinical Framework, Decarbonisation Plan etc.**

**Please complete the form and submit this for your organisation lead to receive and consider before it reaches the Bevan Commission. If you have any questions, please contact your local lead or the Bevan Commission team.**

**Please note that you cannot save this application, so please have all your answers ready to copy and paste. We estimate that the completion of this form (after you have all the answers ready) will be approximately 20 minutes. You can download the full application PDF [here](#).**

**\* 1. For this cohort, our topic is ‘Doing Things Differently’ for a Prudent Sustainable Recovery. Which of the following area(s) does your project idea align with?**

- |  |  |
|--|--|
| <input type="checkbox"/> Working in different ways and/or with different people                                    | <input type="checkbox"/> Developing innovative actions around shared priorities, such as reaching the hard to reach groups |
| <input type="checkbox"/> Using digital and technological solutions to do things differently                        | <input type="checkbox"/> Collaborating to make the most of all skills and resources and doing only what’s needed           |
| <input type="checkbox"/> A different approach to reduce waste and achieve sustainable health and care without harm | <input type="checkbox"/> Priorities consistent within local organisations and collaborative working                        |
| <input type="checkbox"/> Cutting bureaucracy, empowering people and managing shared risks                          |  |

## **Bevan Exemplars Cohort 7**

### **About you**

#### **2. What is the title for your idea?**

#### **3. At what stage are you with this idea (for example, early, have been trying it out already)**

#### **4. Contact information for you**

**Full name**

**Organisation  
name**

**Base Address  
(work)**

**Address 2**

**City/Town**

**State/Province**

**ZIP/Postal Code**

**Email Address**

**Phone Number**

#### **5. Twitter Handle (if you have one)**

## 6. Information about your line manager

Their full name

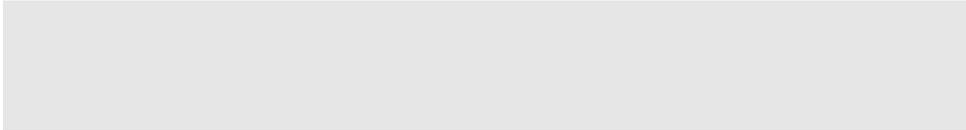

Their job role

Their email  
address

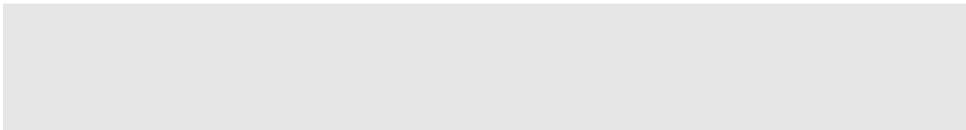

## **Bevan Exemplars Cohort 7**

### **More about your idea**

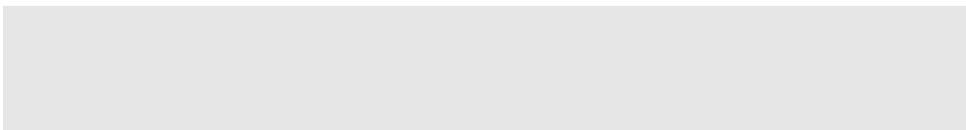

#### **7. Briefly describe your idea**

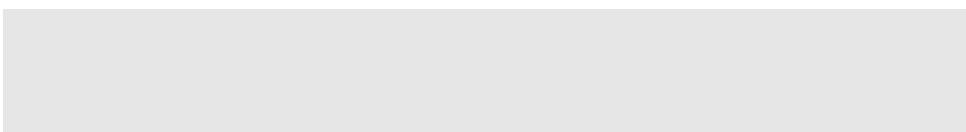

#### **8. Prudent Healthcare: How will you involve patients and/or the public in the design and delivery of your project?**

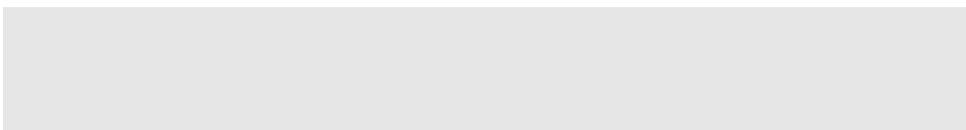

#### **9. Prudent Healthcare: How will your idea care for those with the greatest health need first, making the most effective use of all skills and resources.**

#### **10. Prudent Healthcare: How are you addressing 'do only what is needed, no more, no less; and do no harm'.**

#### **11. Prudent Healthcare: How will your idea reduce inappropriate variation using evidence based practices consistently and transparently**

**12. How long have you been working on this idea?**

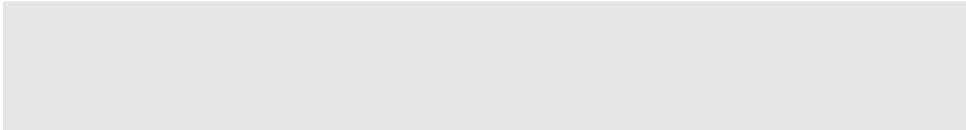

- Less than 6 months**
- 6-12 months**
- Over 12 months**
- Other (please specify)**

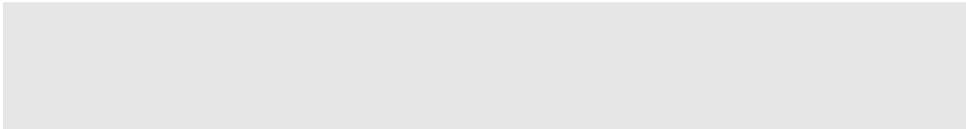

## **Bevan Exemplars Cohort 7**

### **About completing your project**

**13. Plans: Outline your plans for delivery here. What will you do? When will you do it?**

**14. Anticipated Benefits / Outcomes / Results: Summarise how your idea might benefit the health of the people in Wales and/or NHS Wales/Social Care Wales, e.g. improved healthcare outcomes, improved service user/patient experience, resource efficiency etc.**

**15. Evaluation: Describe how you will measure your idea's anticipated impact / benefits / outcomes / results.**
